

MICHAEL EKERT

COACHING PARTNER

Michael is a Performance Coach and speaker with a passion for developing others. As a highly accomplished presenter and communicator, Michael's influential, vibrant and highly infectious energy keeps audiences engaged and inspires people to achieve greater outcomes in life.

Michael has over 30 years of experience in business, management, coaching and facilitation, sales and customer service. He has a deep understanding of human behaviour, performance and what drives success.

Michael owned a successful global franchise for many years and now focuses his attention on developing individuals in his primary fields of expertise.

Michael loves working with others and helping them to develop and enhance their self-management and personal leadership skills. He believes that teaching people to communicate effectively is key to building meaningful relationships, establishing trust and influencing others.
